

Black Forest Primary School

SAPSASA Policy

Updated September, 2021

Black Forest Primary School encourages children to participate in SAPSASA sports. In order for Black Forest Primary School to be successful and to ensure the safety and welfare of our students, the SAPSASA policy sets out the roles and responsibilities of all involved in SAPSASA at the school level. Students who participate in SAPSASA sports represent their school, therefore, representation is seen as a privilege and not a right. Students are expected to act in a responsible manner during normal school undertakings in order to be granted this privilege. The School retains the right to veto participation based on inappropriate attitude and behaviour or unsatisfactory work ethic.

Selection and Participation in SAPSASA Knockout / District / State Teams

The school supports all SAPSASA sports offered during the year. However, the number of sports for which students may nominate will be determined by the Deputy Principal and SAPSASA Co-Ordinator. SAPSASA selection will result in some school work missed, so as a general guide, two team sports (eg: basketball, football, netball, cricket, softball) and two individual sports (eg: cross country, swimming, athletics, orienteering) will be considered sufficient.

Selection for SAPSASA team sports, individual events and District teams will be limited to children in their 11th – 12th year, (Under Review for 2022**) while individual sports such as swimming, athletics, orienteering and cross country will be open to students in their 10th – 12th year.

Students turning 10 in the calendar year may be used to fill **school based teams** in cases of insufficient numbers based on late withdrawal, illness or exceptional circumstances.

Selection for Interstate Teams is open only to students who are 12 years old (or under) in the year of competition.

Participation in SAPSASA events is subject to approval by the Principal. Negotiations with class teachers will be undertaken by the SAPSASA coordinator prior to inclusion and consideration is given to school work requirements. (A student's school attendance, behaviour, work completion and attitude will be considered in this instance.) Significant cause must be shown before a student is denied the opportunity to participate.

Selection process

1. Students must nominate for a SAPSASA / Knockout / District Team via the school Expression of Interest form at the beginning of a school year. Students who nominate must clearly demonstrate competence in that sport and a sound understanding of the rules and code of conduct required.
2. The SAPSASA Coordinator informs students who have nominated via the Expression of Interest of trial dates/times. A selection process occurs based on knowledge, skills and abilities for the chosen sport. In addition, the SAPSASA Coordinator may liaise with the After School Sports Coordinators and coaches for any additional information.
3. The SAPSASA Coordinator notifies staff of students chosen and negotiates involvement (See above)
4. The SAPSASA Co-ordinator keeps a master list of student involvement on class lists, to monitor each student's involvement to ensure adherence to this Policy.
5. All students who trialled are notified by the SAPSASA Coordinator. Students who have been chosen are notified by the SAPSASA Coordinator in writing with information provided to parents about training and event details.
6. Final list to be provided to the Principal and Deputy Principal. The SAPSASA Co-ordinator emails the front Office to add event details to the Staff Calendar and event details are added to the daily News by the SAPSASA Co-ordinator.
7. Where possible Knockout competitions will be scheduled to avoid disruption to identified school priorities including School Choir.
8. All legal requirements are completed by SAPSASA co-ordinator.
