Open Hours

- OSHC will be open from 6:45am – 6:00pm. Late collection after 6:00pm will incur an additional fee of \$15 per child for each 15 minutes or part thereof.
- Children are required to be signed in and out by an authorised adult. Children are not permitted to sign themselves in or out. Changing COVID restrictions may affect whether parents and carers are allowed to enter the service to sign in and out.
- Children are required to arrive at the service and be signed in no later than the designated time the program states on excursion days to ensure on-time departure.

Medication

- Medication can only be given to children by staff if a GP Health Care Plan is provided to the service and the medication has been authorised for use with a pharmacist's label.

Child Centred Program Opportunities

- OSHC provides children with opportunities to rest and relax throughout the day.
- Educators develop plans for play and leisure time in collaboration with children, and respond to children's current interests and ideas on the day. The extended nature of Vacation Care supports ongoing and sustained play, art projects and time for children to fully immerse themselves in play and leisure activities. Some of our favourite activities during Vacation Care are Hama Beads, Werewolf (senior children), cooking, social games, and nature and mud play.
- OSHC provides children with a range of opportunities for physical activity. We encourage and support all skill levels to participate, as well as developing social and executive function skills in running and refereeing games.
- OSHC provides children with opportunities for 60 minutes of personal screen time per day during Vacation Care.
- Black Forest OSHC shares snapshots and learning stories with families to document children's wellbeing, development and learning through "One Child", an online tool linking to the National Quality Framework.

Food and Drink:

- Please pack a healthy recess, lunch and snacks along with a bottle of water each day. This includes days where cooking and other food activities are offered.
- Please note: a \$2 fee will occur each time OSHC provides your child with a bottle of water, and a \$5 fee when OSHC provides your child with an emergency lunch.
- Due to the high number of children with life threatening allergies, please do not send foods containing nuts.
- OSHC provides breakfast until 8:00am, afternoon snack at approximately 3:00 - 3:30pm, and late snack after 5:00pm. The menu is available on the noticeboard.

Valuable Items:

- For reasons of fairness, safety and supervision, no spending money is allowed at any time.
- We discourage items brought from home. Children may bring handheld electronic equipment to Vacation Care provided they are clearly labelled, and may only be used at nominated times throughout the day. Please ensure that the content on the devices is appropriate, otherwise, if the content is deemed inappropriate, the device will be looked after by staff and returned to parents at the end of the day.
- Staff can lock away electronic devices when not in use if they are provided upon arrival and returned after use, however, no responsibility can be accepted for children's property brought to the service at any time.
- Electronic devices are not to be used to contact people outside of OSHC. If parents would like to contact their children at OSHC, please call the service on 8293 8085.

Clothing, Footwear and Sun Safety:

- Please provide footwear for active indoor and outdoor play, appropriate for the weather and UV rating. No thongs, slides, heels, or singlet tops. Please pack an extra pair of shoes or gumboots for nature and mud play activities, and a raincoat for rainy days.
- Please ensure children have light backpacks only for excursion days, that include recess, lunch, a bottle of water, and a sun smart hat. Avoid non-essential items, as children are required to carry their own backpacks.
- Please clearly label all items, including jumpers, lunchboxes, water bottles, and electronic devices. OSHC encourages all children take responsibility for their belongings.
- Sun protection is required during terms 1 and 4, and whenever UV is 3 and above at other times. This includes applying sunscreen 20 minutes before sun exposure, and reapplying every two hours; and bringing and wearing their own broad-brimmed, bucket or legionnaires hat at all times when outside. School hats are ideal. Baseball caps are not acceptable.
- On days when sun protection is required, children who arrive without hats on excursion days, or days that are programmed for outside, will have a hat provided to them. The family will be notified and the account charged \$9.
- Families are asked to apply sunscreen prior to children arriving to OSHC. Sunscreen is available at OSHC for children to use to reapply. Families are welcome to provide their own labelled sunscreen for children.
- If your child will be participating in a water-based activity, please ensure they have packed a change of clothes, towel, and sunsmart top (rashie), plus their bathers.

Transport and Safety:

- The bus company we use has seatbelts and all children and educators are required by law to wear them.
- Black Forest Primary School OSHC adheres to an educator to child ratio based on excursion Risk Assessment. The total number of children attending may differ from the program based on actual attendance, educator availability, and other considerations.
- Risk assessments for excursions have been prepared and are available at the service.
- Should an excursion need to be cancelled for any unforeseen reason, the service will then seek to book an alternative excursion to either a local cinema or Zone Bowling.

Booking Information:

- Bookings can be made at: <https://blackforestoshc.fullybookedccms.com.au/family> by first creating a family enrolment, then selecting the days of care required on the calendar.
- The full session fee of \$65 for excursion days and \$60 for days at OSHC applies to all bookings cancelled unless notice is provided seven days prior to the session beginning. Late booking fees apply. This includes cancellations due to illness/injury unless a medical certificate is supplied within 5 working days of the booked session and notification on cancellation of the session is received prior to the booked session commencing. Contact the service to discuss cancellations due to COVID-19.
- Child Care Subsidy – new families and families whose children have not attended Black Forest OSHC in the 14 weeks prior to Vacation Care will need to reconfirm their Child Care Subsidy (CCS) enrolment on myGov after receiving confirmation of booking.
- The Vacation Care Program may be subject to change without notice due to circumstances beyond the control of Black Forest Primary School OSHC.
